

Corporate Capabilities Statement

Company Summary

The Bonfoey Gallery has provided art and framing services to the corporate and private sectors since 1893. Our century old firm is a small business, and a veteran owned entity. We are registered with the Central Contractor Registry.

The Bonfoey Gallery's art consultants facilitate the planning and purchase of artwork and framing for any size project. We maintain a large inventory of artwork; from traditional and contemporary artists of the region to posters, reproductions and signed and numbered prints. In addition, The Bonfoey Gallery has the finest equipped framing workroom in the area offering a full range of related services to meet any project requirements. This combined with establishing a close, hands on working relationship with our clients allows us to deliver a quality product on time and within budget. Our success is confirmed through our extensive repeat business and referrals from very satisfied clients.

The Bonfoey Gallery takes great pride in our staff of trained experts to enhance the base of information and technical skill for our clients. We have superior resources and capabilities to solve any art and framing challenge.
